

ADOPT-A-SCHOOL ANNUAL PLAN SCHOOL YEAR

Complete and Return to Adopt-A-School Director by October 1st

Partnership Activities Plan (to be completed collaboratively by community partner and school representative): This plan should highlight the most significant activities/contributions planned as a result of the partnership. This document is a starting point for planning activities and should not limit the activities of the partnership. Both parties should be aware that additional needs may arise. Please remember to include activities that the school can do for their partner. Feel free to add additional bullets.
